

# Information of product

# GRAPHITE

Symkar **58G030**

Brand **GRAPHITE**

Status **A**

Name **Cordless grass trimmer Energy+ 18V Li-Ion, cutting width 254 mm, without battery**

Data dostawy **2025-02-08**

Code EAN **5902062057655**

## Technical data

Packaging cardboard

Warranty 3 years

Cutting width 254 mm

Maximal revolutions per minute 9000 min-1

Number of batteries in set 0 0

Battery voltage 18 18

Battery type Li-Ion

The set includes: polymer knives 22 pcs

Type of motor Brush motor

CE declaration of conformity YES

Package

## Additional information

## Opis techniczny

Cordless grass trimmer Energy+ 18 V, speed 9000 rpm, cutting width 254 mm, handle length adjustment 1.1–1.4 m, polymer blades 88.5 mm, weight 1.8 kg, accessories: blades - 22 pcs

**marketing description**

Cordless grass trimmer Energy+ GRAPHITE 58G030 is designed for operation in garden for trimming lawn in hard to reach areas, such as corners, edges, or uneven ground, as well as along walls, near trees and under garden benches. Light weight, telescopic pipe adjustable to the user's height and cordless power supply of the grass trimmer make the tool handy at work. The product features ergonomic switch that allows for one handed operation. Adjustable tool head allows to pick the right setting for the lawn surface.
