## Ecoqua Ispira

From the sheet of paper to the notebook, 100% Made in Italy. Each dot on the map represents a production or processing facility. Our supply chain extends from north to south, showcasing Italian authenticity at every stage of production.

## Ecoqua Ispira

Our brand has 760 years of know-how in paper manufacturing, valuing its versatility in paper products. Our experience guides us in creating innovative and high-quality solutions, passing down the artisanal tradition through generations.

## Ecoqua Ispira

Our definition of high quality involves attention and care in every phase, from design to production. These standards are maintained in every product, ensuring a superior experience.

FABRIANO

## Ecoqua Ispira

Our legitimacy in the industry is the result of years of experience.

Manufacturing these products is our innate vocation, deeply rooted in our DNA. Fabriano has been a UNESCO Creative City since 2013 for its ancient mastery in paper production.

## Ecoqua Ispira

Our conscious commitment is reflected in production, supported by environmental certifications such as FSC® for responsible forests and resources. We design with waste reduction in mind, creating low-impact products that contribute to the preservation of the planet.

FABRIANO

## Ecoqua Ispira

56,8% of the electric energy used in paper production is renewable: it is fully integrated during the production process through autonomous hydroelectric power plants, this represents 14% of the total energy consumption, significantly reducing greenhouse gas emissions.

Discover the relaxing visual experience offered by our paper: choose between the natural shade or the elegant ivory tone. Both provide visual pleasure during reading or writing.

FABRIANO

## Ecoqua Ispira

Our paper offers exceptional opacity, ensuring that what you write does not bleed through to the back of the page. Focus on your writing without worrying about visual interference, for a great writing experience on both sides of the page.
