POCKET RULE 3M/19MM MAGNETIC END-HOOK

BRAND: TOPEX

TOPEX steel pocket rule is equipped with three tape winding locks. Nylon coating of the tape protects printed scale against wearing off. Tape winding bumper protects the catch from breaking off. Magnetic tip is an aid in making measurements. Ergonomic casing shape allows firm and comfortable grip, and anti slip material ensures comfort and safety at work. MID certificate guarantees reliability. TOPEX brand is oriented towards DIY enthusiasts.
