

Long-lasting side correction tape

Product description

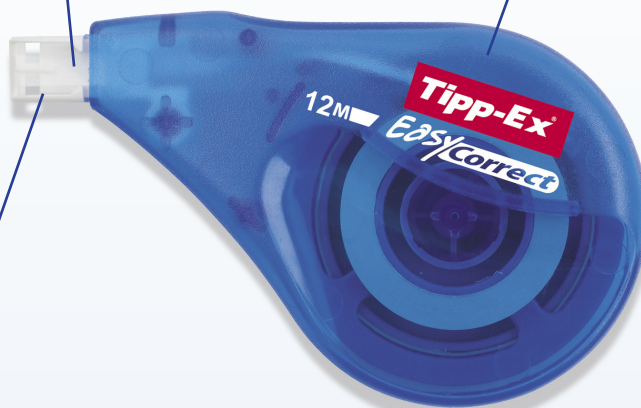

12 meters side dispenser correction tape. Light and long lasting. Lateral application for neat and accurate correction. Instant rewriting, no drying time. Very good coverage. Invisible on photocopies and scans.

Polyester film (PET)

- Tear resistant
- Length: 12m
- Width: 4.2mm

Semi-flexible tip in polyacetal (POM)

- Smooth application
- Prevents film from going off-track

Body made of transparent high-impact polystyrene (PS)

- Visible tape supply
- Shock-resistant

Co-axial mechanism

- Allows for 12 meters of film in a compact casing

Manufacturing process and controls

During the manufacturing process, every Tipp-Ex Easy Correct correction tape undergoes over 40 quality checks, from individual parts to the finished product.
