

Orthomat® Office

The new standard in standing at work

- Carefully designed incorporating high-density foam to provide just the right balance between cushioning and foot support for users of standing desks.
- Helps to delay the onset of pain and tiredness otherwise experienced from standing on hard or firm floor surfaces.
- Features a textured underside and gentle bevelled edges to reduce trip hazards, while creating a neat 'anti-curl' finish that sits flush to the floor.
- Made from Polyurethane, a resilient material renowned for its durability. Can withstand a wide range of footwear.
- Handy size for ease of handling making lifting and moving an effortless task.
- Fits into most office workstations.
