

PRODUCT PROFILE

edding 28 EcoLine whiteboard marker

Product text

- Whiteboard marker for writing and marking on whiteboards
- At least 90% of the total plastic used in the marker is made from recycled material (83% post-consumer)
- The writing is dry-wipeable from virtually all non-porous surfaces such as enamel and melamine
- The round nib has a stroke width of 1.5-3 mm
- Thanks to the "cap-off" ink, the cap can be left off for a few days without the product drying out
- The whiteboard marker ink is lightfast and quick-drying
- Available in the colours black, red, blue and green
- The product is refillable
- Spare nibs are available
- With no added butyl acetate

Target group

- Users in companies and authorities with environmental awareness working with whiteboards, training establishments, conference hotels, schools and universities
- Users with environmental awareness with presenting, visualising, structuring, writing and teaching tasks

USPs

- Ecofriendly whiteboard marker with at least 90% of the total plastic used made from recycled material (83% post-consumer)
- Packaging is 100% cardboard

Benefits for the consumer

- High quality brand product
- The product can be left uncapped for a few days without drying out
- Dry wipeable from virtually all non-porous surfaces
- At least 90% of the total plastic used is made from recycled material (83% post-consumer)
- Easy identifiable eco-friendly product design
- Clip prevents rolling away
- Made in Germany
