

uni-ball VISION ELITE

UB-200 (08)

ink colour

Black, Blue, Red

Introduction

This is the ultimate choice for people who frequently fly for business. This pen is not affected by changes in air pressure in a plane due to the newly developed "Airplane-Safe Technology", and achieves uniform lines and a smooth write. You can rely on this pen when you want to check business documents or write a letter to your family from the sky.

Black, Blue, Red : Tip and ink are totally improved.

With the "Scratch-Free Tip" and improved ink, we have achieved the smoother writing.
