- ✓ Type IIR according to EN 14683:2019
- ✓ With elastic ear loops
- ✓ Soft and comfortable
- ✓ Fluid-resistant at a pressure of 120 mmHg
- ✓ Low respiratory resistance
- ✓ High bacterial filtration
- ✓ Minimises cross-contamination
- ✓ Hygienic
- ✓ Space-saving

Product Description

Face mask with soft and strong elastic ear loops and nose clip to ensure proper fit. The mask has a low respiratory resistance and a high bacterial filtration efficiency. It is intended for use by health care professionals in operating theatres or other medical settings with similar hygiene requirements in order to minimise cross-contamination. The working environment is protected against transmission and the wearer against spray or splashes at a pressure of 120 mmHg.
