Introduction

A Favourite for 10 years

Regarded as a Synonym for "The World's Pen"

- An established product with reliable features that have been favoured worldwide for more than 10 years.
- The "UNI-FLOW SYSTEM" ensures a continuous write with the same thickness to the very last drop of ink.
- Vivid coloured ink. Stainless steel tip that stays smooth even when little pressure is applied.
- Pigment ink will not run even if water is spilled on the paper.
